I m happy to work on the transaction. but i=would like to agree beforehand , on a fee for success. =C2♦ I propose a 25% fee based on benefit to all founders. =C2♦ . To be clear if there is a 300 overall benefit. then ea=h founder would pay 25 m. towards the total of 25. we would e=ch share equally in the benefit. ie everyone including =e would see 75 m benefit. . if there is a solutio= , a still large " if " . it is quite clear that it=is not forthcoming from the existing team. =C2♦ If OK with you . marc and josh would have to sign on. . =f not . ok with me.
