Generator, AC and Bow thruster are installed and works Great, especially th= AC blows cold!

Nick's Marine is installing rubber engine mounts for generator since it=#39;s located underneath driving station for smooth operation,, some=mounting parts for Gen were missing so Nick's shop fabricated,, we wil= have completed by Friday and boat will be towed to Zed's Fiberglass r=pair for rear deck work to commence.,same location by PBI airport you orig=nally view the Nautica.

Nick's marine informs Zed is a master Fiberglass shop, he's worth t=e wait since he always goes beyond his time estimate.,finish product shoul= be perfect

Thx
Larry
