Subject: Paris apartment - Chinese room

The insurance company can start looking into the room only on Feb 6th. Right=now the room can't be used.

Alternatively, Valdson said we could make some minimal reparations with his e=ectrician to make the room presentable when you come on the 18th - in this c=se we have to pay for it (aprox 1200). And the. The insurance company will=do the rest - we won't get reimbursed for that.

What would you like to do?
