emblematic of my f=ustration and ,in the end what I believe is a waste of our time ener=y money and resources. is the very simple question of bidco bank accounts.=C2 4 months ago I asked the question , does it have a=bank account and if so , who has authority, where is it located and =hat transacations ran through it. it is only one question out =f hundreds that need to be answered. hundreds. . you ask=d that i not behave like Zeus and try to explain why I want need certain t=ings. since i said to placate Brad's inquisiti=e ness and his desire to learn I said a filing might be required. =C2 instead of merely getting me the answer. he has talked to josl=n paul weiss , you , you wanted to ask brad karp. (maybe a filing t=at reopened things,)

none of this as a practical ma=ter has any influence upon the ultimate action taken . . = merely needed to know a simple answer. and today after askin= at least every week since then do not have an answer . =C2 I have been trying not to add stress to your day. i try =o explain things and take the time to do so gently, (not my forte . this =s one question out of hundreds. the fact that a 21 year =ld was in the office only xeroxing for a month, was obvious to=everyone in the office. having a 26 year old xeroxing instead doesnt=move us forward, answers first. copying old files. =A0 can wait.
