Valdson asked to doublecheck - Minimal fixing for your next trip, right? And leave the rest for later. He said "make the room livable" not total fixing

The insurance company can start looking into the room only on Feb 6th. Right now the room can't be used.

Alternatively, Valdson said we could make some minimal reparations with his electrician to make the room presentable when you come on the 18th - in this case we have to pay for it (approx 1200). And then the insurance company will do the rest - we won't get reimbursed for that.

What would you like to do?
