Dear Jeffrey,

Jacques Rougerie and I wanted to wish you a very happy new year.

We are looking forward to collaborating with you on your new project.

We have discussed your ideas for an initial concept based on the photo you =ahred with us and Jacques wanted to say that it is exactly the kind of arc=itecure he likes and mostly envisioned for your island.

In order for him to work on the first sketches, and prepare our meeting end=of january, if you could send us some of the discussed mapping documents a=d aerial photos that would be of great help.

With our best personal regards

Jacques and Ariel
