I am sor=y. I realize you are under tremendous stress, In Bedford you a=ked me for my help I could not have been more clear that thoug=t it very unwise as in my words I did not want any financial a=rangment between us, it risked conflict and tension what neith=r of us needed more of. and did not want to risk torturing our friendship =nto the likes of the kind you have with Mark nor Josh, : =now,- I dont have anyone but you yelling at me , in my own house. no=one. it is highly unpleasant but I am trying my best to be understan=ing . sorry . From the outset and as you told me you rec=ll. i tsuggested that three years should be the period of enga=ment. as planning is not a one year exericse . you declined t= commit to a number of alternatives presented to you for payment of =he third year. I told you in nov that you should decide whethe= to now sign on for that very third year as the vast majority of my work e=ded on oct 15. you recently told me you thought i was ki=ding. .you hired brad patting him on the back that after months of i=quiry he can now, finally tell you which llc owns the cars??

once he has all the facts what next ?? . w=ether or not you refer to a portion of the third year as after care,=or whatever term besides 'scoundrel' you choose to use, I m=not sure why you assume now it should be free.( I HATE THIS CONVERSA=ION < HATE , ) and i heard you when you said you told me what was=C2 I work still to be done you thought valuable enough to pay fo=. please tell me . and then we can decide the next steps ,,, if any. I con=ider my work rarefied art. I guess the value is in the eye of the be=older . IT reminds me of those people looking at a modern art piece and sa=ing " my child could do that " . hope you are =eeling better.
