Jeffrey, at the very beginnin= I had good grades, never skipped a class, got in shape... I was very happ= and thought you would be proud of me. After all the effort I was doing I&=39;ve noticed you became more and more distant with me. You never told me =nce you were proud and never asked me anything of what I was doing. T=en you told me that you didn't care because all those things were for =e and not for you. I got demoralized... But you are right, I am disgusting= I know you are disappointed and I hate myself

Ps: the difference between Marangoni =nd this school is that in this one I like the teachers, classes are i=teresting and I enjoy it ( even if I didn't submit t=ings on time I always participated in all my classes) The subjects th=t I chose for January are interesting, all related to my major a=d closer to what I want to do later. Marangoni not.
