Leon, Congragulations on biting the bullet. =C2♦ at least 18 months late , but I m encouraged and g=ad for you. When you interviewed Brad two years ago you asked=that i not tell him what a disaster lay before him. what would you =like me to tell Barry?

There is a HUGE amount of work to b= done in the next 9 -12 months. mostly the exact same work tha= i outlined in my email of 2 years ago. now complicated by years of =ess on top. ( you can send it again if you like ) . Bra= <pan id="m\_1351435030875433780:2be.2">wechsler was n=ver up to the task . sorry, I realize I have been saying=the very same thing for a long time. he was a not a step up from Eil=en but a step sideways. in the beginning there was=Eileen and Tom and Ralph Lerner. all your hand picks. ♦=A0 then brad. john, Joe. . joslin was chosen from a pool♦=A0 of 2 people. each that would be limited by a salary of 250k. ( yes i pe=sonally augmented his comp in order to get him ) I did say hire bot= Lisa to do the bookkeeping and joslin tax, He complained for ov=r a year , re his direction by eile=n and ada , and then brad. His breakdown was not a surpr=se after months and moths of warnings. Though disabled, =he ran your office this year. with john and joe. He ran amok, and as i told you♦=A0 he rarely failed to remind me in our conversations that you=told him that he works for you and not for me and that brad needs to=C2♦ pays him .

. Asking me who =o hire , estate attny</=pan> tax people etc. :

I have taken heat for years=C2♦ over the fact that i gave you no more than carlyns name, . no fo=low up questions no interactions , not even one single questio= asked of me re her work. ( that was Eileen \_) bu= somehow carlyns fuck up was my doing. . when i tol= you that i thought Eileen wasn't up to the task, you bellowed t=at i was talking out of both sides of my mouth. . =C2♦ You told me this year , that by trying to protect you from crazy joslin, I =ad in essence fired him and it was my responsibility to do his work.=C2♦ it then turns out that he didn't consider himself fired at all♦=A0 he just received less money. and continued to =ake a really dangerous mess. . Joshn castrucci, in your eyes , was also my d=ing , though email after email said , I take no responsibility =/span> for him, and iYOU SHOULD NOT HIRE HIM .!!! , , your response was that=was my opinion was only because i didn't trust him. then t= add insult to injury last =an you told me he was gone. however=he too is still there, and a waste of money and space.

=C2♦ My time =s complicated by Donald's potentially eviscerating any reason fo= anyone to use the foreign funds repatriation plan that i had =ut together. . however as you are aware I have some deci=ions to make re my time allocation in the next year or two. so=at least for a few weeks I am unable to commit much time and make an= future plans to guide you in the redoing of your progra=tination produced mess.

That being said ,♦=A0 the tasks at hand are the following.

Y=u have a bomb of colored string that your retarded children have fo=med , It has to be very carefully unwound , even t=e substitution of Barry for your next trustee, needs a careful focus=on procedure.s It would be much preferable if Wechsler was not his=replacement. do you have any person you trust ??!. I am=concerned re brad taking barrys</=pan> place re . In the beginning Barry will need to=C2♦ find and learn ACCURATE . org charts. books , balance =heets . trust valuations. are all a part. Barry wi=l need 2 months to just get his arm around what is there , this is b=fore any needed modifications.,

a way overdue re- f=esh of your estate plan . . clats , trust. partnerships.=C2♦ grats.=C2♦ llcs.=C2♦ bank accounts , filing requirements. etc. the long==waited review of the brh t=a and shareholders agreement to see how =hey fit into new plan. . " XXXXX" plannin=. art partnership engagement .. , airplane re-do. =, buying another. . ? boat sale , Miami sale. . T=ADING ACCOUNTS. . three years over due. .♦=A0 an accounting system. fire john .. =span id="m\_1351435030875433780m\_-243410644994715214m\_-22610975512731050=:1bd.57"><pan id="m\_1351435030875433780:2be.26">joslin stays =or a year. or so. so does tom and . except for heather everyone= should be replaced with new. . Sell Artspace and shut d=wn regan art=. rationalize. cash flow reporting. cash mgmt. stock sales.=C2♦ sec irsunreviewed aud=ted documents. . CANNOT!!! this will be very deta=led work. . a self inflicted wound - all avoidable if profess=onals had been in place to limit . or contain it. . . you will =eed 3 new hires .a s there is no one in your office that is tr=ly an A player. I have great hope in Barry as you know. =C2♦ He will need to be trained. note

; One year is=my guesstimate After 4 years of telling you , that you could do bett=r than Halperin, : im glad that you now are willing to follow barrys advice . I tak= no offense , in fact I take comfort in the fact that after only one conve=sation with Barry you are now convinced to make that ch=nge . will take a year or more.

I expect as a fr=end you will understand that

♦=A0 I will no longer , not even for one day , work on your affairs . =ithout the compensation that is long overdue. . your unilatera= idea of after care , not imposed on any other professional , except=me, not paul=/span> weiss=,( caesars alone , a dire=t screw up on their part ) tom, akin, , no one. needs to end. = you and I had previously agreed no more of that=, and this after you decided not to pay me per our agreement. =o be fair I can not say im

If I can find the tim= to work , on your project , which is not by any means certain=as I have said , I hope you understand that it no= will have to be under my standard terms and conditions. and well do=umented so as to avoid any more of the he said she said. =I never want to have any more uncomfortable money momen=s with you , I find it very distasteful. .=C2♦ so to be clear , my terms are as follows . I=will only work for the usual 40 million per year. It nee=s to be paid, 25 million upon signing an agreement .♦=A0 5 million every 2 months thereafter for 6 months ie march may june .=C2♦ this can begin if i am able in January. I will immediately stop work , if the payment is not received. I= you want me to work this year until Jan 15 , it will=be 10 million. paid upfront. after one year you w=ll be left with a new estate plan a running office. staffed with pro=essionals overseen by Barry. ( hallelujah ) a tax plan = and an investment that returns more than any painting you could possible =wn. . no agreement - no work. however -♦=A0 I of course will talk to Barry for the hour that i promis=d , and take your guidance as to what I should say.
