Jeffrey,

Wishing you a happy holidays and good new year. = Your support in 2015 was greatly appreciated. It has allowed us to =ontinue to add talent to our roster and improve our portfolio.

As we come down to the last week, this last month is=mildly positive but could certainly still go negative for the month. =If we do manage to pull it off, we would have achieved 12 for 12 positive =onths for the year. If you have any interest in catching up in the new year via phone or in person for a more in depth =eview, please let me know. I'd love to. I'm genera=ly around New York in the new year with the exception of a conference in M=ami in early feb and a conference in Palm Beach late Feb/early March.

Best wishes for a great 2016.

Ari
