Subject: Introduction - domestic staffing

Hello Jeffrey,

I'm sure Eva mentioned=who I was.

I'm cc'ing Maurico. I've know him over 20 years. He was m= house manager years ago and then started his own company overseeing house m=nagers & domestic staffing. He has a great "Rolodex" of people I think h= may be able to help. He also works with many high profile families like yo=rself.

I'll let you two go from here.

Ps. Btw we share David=Mitchell, I had dinner with him last night.
