Greetings all,=yesterday afternoon Peter drove prd to redhook as he was leaving they hit =omething on the bottom, i saw they had the motors up but when I left lsj t=ey were already going again. When I saw the people that traveled in =rd they said they might have snagged on a rope. This morning after close e=am the propeller is banged up and the engine fin is broken. Im looking for=a propeller to replace and will report if that will fix the problem and report back after testing.
