Subject: so there=is no misunderstanding
To: Melanie Spinella <[REDACTED] <[REDACTED]>>

I have told the brads and barry,- I am done. its no= a negotiation , out !! - fyi given my carlyn joslin ca=trucci, admonishments,- though my involvement in those - in one inst=nce only gave a name - in another only given an eileen dictated =A0 choice btween two 250k preparers. and for castrucci, I =A0 actually sent emails that i take no responsibility for his being h=red. - however you felt strongly that I should be saddle= with their outcomes .even with brad wechsler , i again=said two months in, Leon, he doesnt get it. I tell you this s= that you will understand that I will not interview, recommend or v=t any new hire.

A story - In 1993 trump and I had a=friend that kept telling his pilots how to fly , and when to fly , he =A0 couldnt help himself from hiring morons as co pilots, and mainten=nce people based on cheapest rates. Donald and I tried and tried to talk s=me sense into him, to no avail. Donald and I were in as=en, sitting at little nells. when the friends plane crashed into the=side of aspen mountain , klliing him and all on board,- Trump =ooked at me and said without a blink , I guess NOW he wishes h= would have listened to us.- a metaphor for your office.. =A0 . had we not waited to the very last hour having had=C2 a six month window and tens of unanswered text and emails re decisio=s needed including the 1031. you would have saved way mo=e than you often feel obliged to argue about. . silly =A0 but i reallize you are stressed.

Barry will need =o sit with brad for months, to absorb all the co's , structures.=C2 cash flow, financial statmments etc. I will p=esent barry my thoughts on the overall redo , it will be the e=act same email that i presented to you and brad two years.ago =C2 . accurate numbers first. and foremost. . (last week ga=ing report stil funky). IT etc I pointed out some =f the more glaring errors to barry to give him a flavor of what is to come=

Tuesday i= you like we should discuss Giacometti , and pesner . =A0 difficult to finesse him if they are filing documents that=you won't . these ridiculous conversations with tons of pe=ople on the phone , removes any claim you might have to not be consid=red a WILLFUL NON-FILER . (after youve been told by attnys and pwc =hat you should file in writing , you have NO choice) .. wors= possible result - including serious penalties up the kazoo. <=r>
