Justin's first response after the rather officious response from Carla to my request.

Ms. Mahnke and Ms. Ellison,

My name is Justin Dillon. Professor Krauss has hired me to serve as his advisor in his case. I understand from him that you all have a meeting scheduled for Tuesday during which you are going to ask him about some of the allegations in the case. I am afraid we are going to need to reschedule that for a later date, so that I have time to get up to speed on the case and properly prepare Professor Krauss for this meeting. (I have been out of town all week for my kids' spring break.) I am sorry for any inconvenience, and I will be in touch soon to find a new date.

Thanks very much, and have a nice weekend.

Justin Dillon
