As i said yesterday, poin=ing out places where i think my friend might be taking unneces=rry risks has become tedious and trying. Structures that=have been set up 2 years ago. were done so to give you protection and flex=bility, NOT FOR ME< for YOU they required hi=ing staff that could manage these complex entities. =AO you told me over the past two years that as i set them up i=should be responsible for their operation. That was never the deal=C2 , never. I have heard after -care etc for quite a =hile. in dec when you unilatierally decided to pay me much les= than our agreed amount , we agreed NO MORE money discussions =C2 NO MORE after care. The silliness has reached its pinnacle when you =suggest i am responsible for the lack of sophisticaiton and thoughtfulness =f the 1031 transactions that NO one even told me about. =sked my advice or gave me any notice at all before the fact. s=me as the structure for the Calif house. I would remind =ou , though Heather is great, it was not she that modified the gagos=an contract to give you the protection that resulted in your having no lia=ility, though you tell me she has done these things many times.=
