today, Thursday Dec 24th is the deadline to cancel the home purchase per the contract home inspection Claus, I think its best I cancel this purchase at this time and recover the \$20k deposit.

Darren informed me that he will transfer Zorro title to you to close the loan for Singer Island house sale, no financial gain for me, he also is requesting \$200k from Hobe Sound house sale, plus he's drafting a 9 year interest bearing loan that balloons at that time, which would force me to sell the house with no financial gain. As it was my false understanding this home was going to be mine in lieu of past and future salary increases and provide a retirement source for me at some far off date.
