transaction complete . inspite of your shlep=ers. I spent time with joslin joe and john, . Iud=crous - to summarize - the list I provided of things to get d=ne last december is virtually still the same. =A0 IT, still desperately needed- reporting very flawed . 1 yea= later, airplane re structure, my suggested priority in july= nowhere , nothing at all done. - brad has no idea even as to =hat questsions to ask. he knows little of finance, is run roughshod as eve=yone in the office knows he is ignorant. ie 3 million deducti=ns taken for art space but cannot be used at all. though you =ill be told yes they were deducted . (ridiculous) I =sked for balance sheet for regan arts. "sorry we never got one?=quot; though 9.8 million invested, no p&l nothing , =o clue . artspace financials a disaster - a list of things I =hink would be in your interet to do. though not by me . =C2 i suggest you form new grats. , hire=tax partner. use trading accounts as they remain a param=unt goal 16 months later I suggest that you , have the 49percent of=phaidon merged into artspance and have ric=ard buy artspace. re-do bank loans. =o need to pay interest at higher rates on boat or plane.. as ressle= is now no longer trustee. re- do will, make suydam executor , with barry, and john as back up. =A0 pay 1 million a year for executor role. get rid of ju=y black trust, deal with gifts. review amounts to kids at fixed age=. put more protections in for alex and victoria</=pan> . , distribute some money to kids let them make deci=ions. , decide art division with children in attendance = have fire drill done on estate. fill out estate returns as if=you and debra died today, rick bronstein said the only =O40 he ever filled out was his own. (this is brads chosen advisor??!) =A0 Halperin has a conflict that should be addressed., debra=C2 should enter a tenants in common agreement with kids. you have=airplane consultants tax consultants it consultants. pla=e operation consultant. . boat consultants. architects, lights , art= legal, . foundation , deal with TRA , BRH<=span> , rationalize investments. cash flow. reporting, gaming disclo=ures. foreign, gift. . prepare tax projections for 15 and 16, . deal with =eg basis (tufts gain, debt financed. art partnership, pledges. =A0 sell stock , art, deal with phaidon debt. athene,? income ,=capital , foriegn , exit, corporate, insurance regs, out and inbound issusu=s, basis, appropriate discount rates. ? term=nations. control. , qualified dividends. corporate tolls, inve=sion rules. , grat issues, short swing and other sec dis=losures, Rothshcild bank, 150 b they have a distribrubtion netwo=k with no products , private bank rockefeller rothschild. financail =service. deal with UK visa issue sooner rather than later.

in sept you and I agreed to 50% of phaidon . ,you then changed your mind two weeks ago. and said only 5 m should go to m= as you were going to reserve 5 for later. and keep 10 for yo=rself. (though im certain that the debt , and art space will also b= a write off.) When I had previously said =s you and I sat in my dining room that i require most people to =A0 pay for advice up front. so that I am assured that I will be properly=C2 compensated for my work when strategies that i devise get used. =A0 you appeared to have felt slighted and said " are you=suggesting that i would go back on my word " I said no , you ar= my closest of friends ,but my experience is that when amounts= get large people tend to get unhappy when it comes time to have to p=y them,. From day zero I said I think the minimum of 50 = 60 million is the price of the transaction . though this was already much=less than our agreed number, never telling me that you thought that=was out of the range , but asking that i provide step by step details and =eview all documents so that they would be perfect which i did. and=C2 Taking your alan comments in the best of light , who you=will have to admit not one,not one , time in three years =has he ever initated a unique idea. (including the new tenant =n common idea,) lets say he made a contribution ,even that it =as 50 %. though no one could posit that unless they were wearing a b=ight colorful clown suit. you , after knowing my price , sent =o you in writing and told to you on the phone then asking my help in=execution, you then and only then told me that you had decide= in a conversation with brad karp that 20 was the right number for b=th transactions . Did bradeven know of our prior agreeme=t.? As you always say , why cant we sit in a room together , so tha= he said she said is kept to a minimum , I would ask that you I and Brad k=rp sit together. If you didnt do the transactions , its one thing, =ut knowing the price up front. , using the detailed plan and then not payi=g the price fully disclosed and asked for prior to execution h=s me baffled.
