joe, respectfully, the plane has sat for over a year. if she wants to fix it, as i said we will pay her the 20m. the unknowns are just that unknown. we will have to pay the 1.2 to bring it on rolls royce care=C2 and easy couple of hundred thousands for any problem with=A0 landing gear. etc.

What should I respond?

Just some of my thoughts below regarding how to answer Joe, similar to what I told the helicopter broker when we did the 430 deal

If there is landing gear corrosion that could be 200,000 per landing alone if the slightest bit of corrosion is found

We are also concerned if airframe and engine were properly preserved for storage? This could be a blank check

Larry,
<=span>

I can convey the message but do you feel that there would be \$2,500,000 risk at stake taking it without the current overdue=A0maintenance completed?

Hi Joe, <=r>

please tell Mrs. Sabadash t=at we will either buy the plane with full airworthiness maintenance and ce=tificate for \$20 million or "as is where is" and =A0close in ten days for \$17.5M and the risk is ours.

Thank you,

Lar=y Visoski
