If we put the screen in front of =he window,we also have the aic conditioning there so the screen will be =E2 inside" the room,and the seats will always be wrong=u>

I thought ,wh= not to put the globe cabinet in the main entrance and to make a cabinet w=th a large tv inside on lift,it would be the perfect distance from the sof=,the speakers will need to be changed

but will keep the same position so will av=id to have too much work in the room

Do you want me to study this proposition?=/u>
