Subject: eGenesis next steps

Hi Jeffrey,

After meeting with George today I am following up with you to clarify next steps to finalize the \$5M convertible note as a seed fund for eGenesis.

We are very hopeful this can be executed quickly and our main issue is to achieve clarity whether this is possible prior to the JPM investor conference next week. We are holding multiple VCs at bay and have maintained them as a plan B but cannot defer a decision.

I am happy to follow up with you or Darren in any way which you feel will help get to a decision.

Thanks and best regards,

Geoff MacKay
Interim CEO eGenesis Inc.
