I heard you wh=n you said you believed i had already been paid for the work that is now required. The art partnership has fully answered all your concerns and discharged a=l my obligations and more so. . =C2 ( FYI Carlys art partn=rship that you referenced is similar in only its title. = You will also recall that you required that my payments be at the end of=20 my work not at the beginning as everyone else's .( my work was never to=20 include hours upon hours of training your staff). I eventually=20 agreed, this of course should make clear that the=C2 2014 tax year that will close Oct 2015 is not covered by our past agreement at all.=I pointed this very fact out to you when I initially proposed a multi year agreement right out of the box. you said you preferred not. =A0 As you said ,I have produced results to date, far in exc=ss of even my own exalted opinion of my projections. I am of course always available to guide you as a fri=d if you choose that route . always . It will take a great deal of y=ur time , but you will not have to spend any more money on mine . =C2 We are scheduled to me=t fri at 430 , I leave at 5 am sat morning. So th=re are no surprises 50m for the year. . or 3=m for until 7/ 15. you can roll the balance for last year as a=concession. half up front. no more all at the end. ive s=oken to brad every day. more questions than answers. joslyn cannot b= left unsupervised. his answers are knee jerk . eillenn told me this=, that the other
