Tenancy in common is a type of shared ownership o= property, where each owner owns a share of the property. Unlike in = joint tenancy <http://topics.law.cornell.edu/wex/joint_tenancy> , these shares can be of unequal size, and can be freely transfered to other owners both during life and via a will. Even if owners own unequal shares, however, all owners have the right to occupy and use all of the property.
