Hi Kathy

Enclosed you will find taxable dividends, interest, and realized gain/loss booked through the beginning of this week.=/u>

There are a few moving parts however:<=p>

1) ♦=A0 Capital gains which are not reflecting on the report but are estimated to pay this month are roughly 12,000-13,000. (mostly long term)

2) ♦=A0 Possible losses we could take as of last night's closing:

a. =C2◆ Short term 9600.00

b. =C2◆ Long term 11,300

c. =C2◆ Sun America I won't know what the adjusted loss=we could book is until Thursday. It's a stepped up loss whic= is adjusting over the next few days, so I should have a figure by Thursda=.

I would be happy to review this via phone. If =ou do want to make any changes we will need to speak over the phone for I =an't take email instruction.

Thanks

Danielle
