Leon, =span id="m_-5163482358583486364m_-8623789478910689534:2be.1">Congragulat=ons on biting the bullet. at =east 18 months late , but I m encouraged and glad for you. =A0 When you interviewed Brad two years ago you asked that i not tel= him what a disaster lay before him. what would you like me to tell=Barry?

There is a HUGE amount of work to be done in the n=xt 9 -12 months. mostly the exact same work that i outlined in=my email of 2 years ago. now complicated by years of mess on top. =A0 (you can send it again if you like). Brad wechsler was never up to the task .=sorry, I realize I have been saying the very same thing =or a long time. he was a not a step up from Eileen but a step sidewa=s. in the beginning there was Eileen and Tom and R=iph Lerner. all your hand picks. then brad. =ohn, Joe. . josli= was chosen from a pool of 2 people. each that =ould be limited by a salary of 250k. (yes i personally augmented his comp=in order to get him) I did say hire both Lisa to do the book=keeping and joslin ta=, He complained for over a year , re his direction by <=pan id="m_-5163482358583486364m_-8623789478910689534m_-24341064499947152=4m_-226109755127310506:1bd.15">eileen and ada , and then brad. =His breakdown was not a surprise after months and moths of warnings. =C2 Though disabled, he ran your office this year. with john and =span id="m_-5163482358583486364m_-8623789478910689534m_-2434106449994715=14m_-226109755127310506:1bd.17">joe. He ran amok, =A0 and as i told you he rarely failed to remind me in our conv=rations that you told him that he works for you and not for me =A0 and that brad needs to pays him .

=A0 . Asking me who to hire , estate attny tax people etc. :

I have t=ken heat for years over the fact that i gave you no more than =span id="m_-5163482358583486364m_-8623789478910689534m_-2434106449994715=14m_-226109755127310506:1bd.19">carlyns name, .=C2 no follow up questions no interactions , not even one si=gle question asked of me re her work. (that was Eileen _) =A0 but somehow carlyns fuck up was my doing. . when=i told you that i thought Eileen wasn't up to the task, you bellowed=C2 that i was talking out of both sides of my mouth. .=A0 You told me this year , that by trying to protect you from =razy joslin, =I had in essence fired him and it was my responsibility to do his wo=k. it then turns out that he didn't consider himself fired at all =he just received less money. and continued to mak= a really dangerous mess. .

Joshn castru=ci, in your eyes , was also my doing , though e=ail after email said , I take no responsibility for him, and iYOU SHOULD NOT HIRE HIM .!!! , =, your response was that was my opinion was only because i didn't trust him. then to add insult to injury last jan you told me he was gone. =C2 however he too is still there, and a waste of money and =pace.

=C2 My time is complicated by Donald's potentially evisceratin= any reason for anyone to use the foreign funds repatriation plan that i had put together. . however as you are aware=C2 I have some decisions to make re my time allocation in the next year=or two. so at least for a few weeks I am unable to commit much=time and make any future plans to guide you in the redoi=g of your procrastination produced mess.

=That being said , the tasks at hand ar= the following.

You have a bomb of colored string that your reta=ded children have formed , It has to be very carefully unwound=C2 , even the substitution of Barry for your next trustee, needs =careful focus on procedure.s It would be much preferable if Wechsler=was not his replacement. do you have any person you trust ??!= I am concerned re brad taking ba=rys place re <=pan id="m_-5163482358583486364m_-8623789478910689534m_-24341064499947152=4:27s.20">. In the beginning Barry will need to=C2 find and learn ACCURATE . org charts. books , balance =heets . trust valuations. are all a part. CANNOT!!!= this will be very detailed work. . a self inflicted wou=d - all avoidable if professionals had been in place to limit=. or contain it.=C2 . . you will need 3 new hires .as there is =o one in your office that is truly an A player. I have great h=pe in Barry as you know. He will need to be trained. not=

; One year is my guesstimate After 4 years of telli=g you , that you could do better than H=Iperin, : im=/span> glad that you now are willing to follow barrys advice . =A0 I take no offense , in fact I take comfort in the fact that after=only one conversation with Ba=ry you are now convinced to make that change . will ta=e a year or more.

I expect as a friend you=will understand that

I will no lo=ger , not even for one day , work on your affairs . without th= compensation that is long overdue. . your unilateral idea of =fter care , not imposed on any other professional , except me, not =span id="m_-5163482358583486364m_-8623789478910689534m_-2434106449994715=14m_-226109755127310506:1bd.68">paul weiss ,(caesars alone , a direct sc=ew up on their part) tom, akin, , no one. needs to end. . =A0 you and I had previo=sly agreed no more of that , and this after you =ecided not to pay me per our agreement. to be fair I can not say im su=prised as you have email after email , stating that =A0 , if you save a great deal of money, you wont want to pay , =so limit it to 40m per year. - water under the bridge

If I can find the time to work=, on your project , which is not by any means certain as I hav= said , I hope you understand that it now will have to be under my standard =erms and conditions. and well documented so as to avoid =ny more of the he said she said. I never want to have any more=uncomfortable m=ney moments with you , I find it very distasteful. . so to b= clear , my terms are as follows . I will only work =A0 for the usual 40 million per year. It needs to be paid, =A0 25 million upon signing an . 5 million every 2 months thereafter for 6 months ie march may june . this ca= begin if i am able in January. I will immediately stop work , if the payment is n=t received. If you want me to

work this year until Jan 15 , it will be 10 million. paid upfront. after one year you will be left with a new estate plan a running office. staffed with professionals overseen by Barry. (hallelujah) a tax plan A0 . and an investment that returns more than any painting you could possibly own. . no agreement - no work. however C2 I of course will talk to Barry for the hour that i promised , and take your guidance as to what I should say.
