Your grandma, old as he is, has been giving annual r=citals, new repertoire every year. There were three smal=, meaning 50 seats, recital halls in piano stores on 58th St between broad=ay and 7th. BUT, all closed. So, me thinks, what about that nice grandson's house. Would it hold 50 people, does he ever ha=e musical evenings, would he think about grandma inviting a bunch of elder=y hoodlums? I know it's out there and unlikely, but before I give up=for this season I must ask.
