Thanks. We will need to know the details of the items so we can have a schedule attached to the assignment document. Will you be putting together the schedule with a description of the assets? Thanks. Alan

Subject: property being contributed to Noel Calb

Hi Alan,

Brad just told me that Leon is now planning to contribute the following to Noel Calb:

- \* Rare books valued at approximately \$82 million;
- \* Fine art and Chinese works of art valued at approximately \$178 million (I do not yet have the breakdown by value between fine art and Chinese).

I'll be on the call at 1:30 pm and am happy to discuss this in more detail at that time. I just wanted to give you an update.

Best,

Heather
