Good Day Ana,

Please see below costs for placing crusher run as a s=rface course. The costs are based on 5 inches of crusher material which wil= allow for erosion and give you a longer duration of use before replacement=is needed;

*      Crusher Run Material -	=nbsp;	&nbs=;	&n=sp;	=nbsp;	\$106,950.00				
*      Transportation (Trucking) -	&=bsp;	=	&nb=p;	\$=67,555.00					
*      Grading and placing Costs	&nbs=;	&n=sp;	=nbsp;	&nbs=;	\$148,120.00				
*      Labor	=nbsp;	&nbs=;	&n=sp;	=nbsp;	&nbs=;	&n=sp;	=nbsp;	\$78,920.00	
Total Costs =      &nb=p;      &=bsp;      = \$501,545.00									

Kindest Regards,

Eason Jeffers
