Or I can ask Corentin the video game guy if I can do an internship in his company. With his game he has 200M players now and he owns a whole building in Paris. The company is called Pretty Simple, he makes 500K a day and only has 70 employees. What do you think ?

When I told her I wanted to=work because I needed a job she basically told me I wouldn't=go anywhere if I didn't have at least a degree and told me if I wanted=an internship I could do it in spring but I needed to send her my CV =nd the convention of the university because even if she knows me=she said I needed to do the application process as everyone else =A0but I think I found an alternative. I've been with very smart people until now.
