the rest of the weekend went amazing, Pen took me shopping - I kept saying that i didn't need anything, he said that it would make him very happy to get me nice things. Wanted to buy me a bag as well. kept saying that he would love to start traveling more together, working together, and we agreed that I would stop going to the office in about 6 months. He wants to get a place in California and to spend us more time there together.

Spoke about past relationships, etc.. He emphasized that he had trust issues cause of some past experiences. Perhaps would be better for me to stay in the city (he is leaving on Thursday and back on Sunday). I had to cancel the dinner with B - Pen asked me to spend all the evenings this week together with him. He wants me to meet some other of his friends. =br>

Eventually he wants me to work together with him, looks like this last deal made him a lot of money and he wants me to start getting more involved.
