We are not aware of any requests for information that haven't been responded to. Please let me know who he requested the information from and what he requested and we will arrange to get him the info.

We are still waiting for an accounting of the \$1,322,000 advanced by the hotel. This request has been a number of times. Also, please provide a P&L statement for the restaurant for the last 30 days. The hotel would like to understand the magnitude of the deficit at this time. The hotel expects to have the computation of your client's loans tomorrow.

The d=function continues. Upon receipt of the TCO, the construction guara=tees by Steve and David terminate except for unpaid bills for construction. It is in both Steve's and David's interests to rec=ive the TCOs. Perhaps you can explain the reason that Gary Zimberg, =ho ran the construction project for Steve, is denied access to information=that may allow him to help get the TCOs.
