Lucas took Karyna over to VIBIR to file her Tax Clearance Letter Application. I called someone at BIR who has pulled it and will expedite it for Karyna. She may call Karyna directly as her cell number is on the application. I gave Karyna a heads-up that she may be called.

Jermaine is presently driving Karyna to the Risk Management Department at the Schneider Hospital to meet with Ms. Hendricks and to pay for her malpractice insurance.

With warm regards,
