Good day =oss,

Choice was not prepared to finish the fiber =onnection. I had a conference call with Omar of Choice to follow up as =o why the last minute cancelation after being told the 11th. =nbsp;

I was told Choice did not have a few items in stock to =omplete the install. I requested that this list of items to see if we =an have them FEDEX'ed. Omar will have his I.T. team send the list =o me tomorrow (Choice is officially closed due to the holiday) along =ith a confirmed new install date.

Regards
