Gulfstream has not mentioned this to me,.

According to the placard on the Pocket door, it must be OPEN for Taxi, take=FF and landing,.with Primary and secondary latches locking in Open positio=.

G550 sim at Simuflite Morristown NJ

Also, there is a simulator in Morristown NJ that operates a G550 simulator,=if you have time to practice landings there? Let me know, i can see what i= available?

Thx,
Larry
