Jeffrey,

I hope that you are well, and continuing your habit of intensely engaging in life! I just want you to know that I believe [REDACTED] has done a lot of good work in just a few sessions. The key, as often if not always, is self-understanding, so that intentional choices can be made in the context of clarity (or as close to clarity as humans can get.) Please let me know if you have any questions/concerns, and I will continue to do the best that I can for her. Take care,

Paul
