Jeffrey<iv>Petes guy for LED lights is the same one, Eric uses i believe,.  
Here is email to Pete from LED light guy:

Hi Pete,

Thanks fo= the information. The conservative quote is \$35,000 for the entire c=bin with 2 zones. We're very close to TEB and once I am bac= I can come out and visit the plane whenever available. Once I have=the detailed information I will be able to provide a concrete quote.

Thanks,

<iv dir="auto">Shervin
