Subject: Gagosian payments

Sorry, Jeffrey, I thought I forwarded this to you yesterday, but just found it still in draft form. Gagosian's lawyer told me on the phone that Larry paid over \$23 million to Maya Picasso the amount we paid him in each installment less Larry's commission (which Larry told Leon is 6%).

We paid Gagosian:/o:p>

\$23 million on May 12<=:p>

\$34.5 million on June 9

\$28.75 million on October 1

Please let me know if you have any questions.

Best,

Heather

Heather:

Here is the information you requested: </=>

Gagosian Gallery Inc. made payments on three dates to Maya Widmaier Picasso:

- * May 19, 2015
- * July 1, 2015
- * October 1, 2015

As you surmised, the payments roughly correspond to the payments made by LB to Gagosian.

Regards,

Matthew
