Sorry to miss you in NY. Saw Nadia and Marc (they seem very happy) - have you met him yet? There was a great event for Dean. Spent some time at NYU. Met a wild "light" engineer who was showing me some interesting tech for arthritis, etc.

I'm coming back in January for a conference (at NYU), January 9-13 (or =4). Just booked flights. Wondering if an apartment is free then and also if you'll be around at all on 1/13, when I should have some time =id-day.

I'm feeling well! It is so amazing. And will never believe what made =he difference...superbugs dead. I'm back to awesome!

xoxo  
Linda
