Just to keep you posted and sorry to bother you with my personal stuff ...My=sister is having a bit of a challenging time. She has been desperate for a b=by but has been told she has gone into early menopause. She is only 22 mont=s older than me. Two things I am trying for is to support her and go throug= all possible steps and options and secondly I will be going to see Romoff t= discuss freezing my eggs asap.
I really want to do all in my power, I can't lose this dream!!
And I want to do all I can to see her happy, she wanted to be a mommy for so=long.
