Jeffrey,

Small area of clouds and Rain , just north of Eleuthera today, see satellite=image,, Either Saturday or Sunday appears same forecast of only 20% rain,. I'll keep=an eye on the movement of this weather later this evening, to determine if S=turday works best, weather is moving to the east. Should clear out by the w=ekend.

MYEH is North Eleuthera (pink sand Beaches) MYEM is governors Harbour Eleuthera

Thx  
Larry
