Dear Richard,

In few minutes, I am going to leave for NY and deliver the =amples for Mr. Epstein's Library.

Mr. =razet, that will do the leather work in the Library, asked me to make =he samples more like mahogany, but very dark. I did both ways, what Mr. =pstein pointed out to me and what Mr. Brazet would expect from me. =/div>

We can adjust the color further if Mr. Epstein =ill have some reservations to current wood samples.

Kindly,

Brandon
