Good afternoon Richard,

The field is certified to ship =verseas, and they do have plenty to choose from
Attached a couple pictures of a sylvester with and without =he diamond cut.
Without the diamond cut on =he trunk, they are \$125/FT CT.
With the =iamond cut, they are \$150/FT CT.

Depending on how many of what size you =eed, we can fit 6-10 of these on a flat rack.

Thank =ou,

Francisco =astañeda

Hello Daphne,

Matt informed me that you are interested in getting the load of coconuts that was postponed from last year.

Can you please let me know what day you are planning on arranging transportation, we will require 2 flat racks for the 14 coconuts.

This week is filling up quickly, so hopefully we can schedule you in for when you need.

Thank you
