Good night Bossman,

<=div>

LSJ Main Electrical Transformer has blown, the island will have to run on generator until the situation is fixed. Mr. Felix "WAPA" said they have a smaller transformer that we can borrow until we purchase a new one for LSJ. Please advise.

Attached is the order information regarding the existing Transformer that was purchased in 2012. I'll have more info from Danny and Mr. Felix tomorrow morning.

Ann R.
