Hi Jeffrey,

Hope all is well. We met awhile back through Boris Nikolic at [REDACTED]. The reason I am emailing is because I have a buyer who would be interested in your home in town. Is there any number you would consider selling for? If so, please let me know. Buyer is serious and vetted.

Additionally, [REDACTED] is for sale again if you would like to reconsider the purchase. Owner is motivated.

Thank you.

Best,  
Steve
