Hello Larry,

Thank you again for your interest in the BBJ sn 30330. The owner on this appreciates the interest and they encourage your viewing of the aircraft – either while still at Jet Aviation in Basel or in Copenhagen following completion of the current workscope.

We believe that a viewing will give you a better understanding of the quality of maintenance and updates to this aircraft.

Owner is ready to sell but what we are hearing is that it will be at a number north of \$30m.

If you are still heading to Europe, I would be happy to set up a viewing.

Best regards,

Victoria
