You are always pulling out the same arguments since ages now. Even after I apologised repeatedly, you make it seem like I did something incredibly dramatic. I never stole anything: you gave me your card, I bought something I liked, you told me I wasn't allowed to buy it, I brought it back, had a refund and apologised. Don't know why you're making such a big deal out of it. I never killed or raped anyone "It's the difference between a murderer and a person who steals a bagel" !!!!

I had zero money to live and was working everyday as a babysitter. You wouldn't listen to me and not even speak to me when I was in the worst situation ever and in addition of all this you lied saying you weren't in Paris when I knew you were there. Screaming in the street was a consequence of your actions. It was the only way since you were not answering my messages. It's not normal but I had no other options.

I also scream with my brother when we fight, doesn't mean we don't love each other anymore.
