Subject: LSJ Transformer update

Hey Bossman,

10/30 at 12pm today, Tap went down to Subbase in the Flatbed to pickup the n=w transformer, meter base & CT's.

10/31 at 7am tomorrow morning, Mr. Bryan "Professional electric" and Mr. Fel=x "WAPA" will install everything at the same time.

Estimated completion time if all goes well 10/31 no later than 2pm.

Ann R.
