I will be in paris for the next two weeks. . I=am sorry , it seems I was unclear about what I thought might be help=I. I certainly do not have any product to sell or brillant structure to propose. Financial solutions are tailored to s=pecific needs and requirements. It is as if you asked a doctor=C2 what medicine you should take before he examines you.:) = It is obvious that your country has a least a stomach ache , if not=a more serious fundamental disorder. I am well aware that in your wo=ds I am not the only one that has solutions. What I suggested =as that I more fully understand the thinking of the people in charge so th=t I can present constructive alternatives. If this is not of interes= , I fully understand and will look forward to sharing more fu= stories at our next lunch.
