the last we spoke you mentioned we may not need to register with paperwork to begin doing business
can you please update me on this?

in addition you were going to look into purchasing 100,000 gallons and taking delivery at a later date

i just left you a voicemail

i look forward to hearing back from you
thank you

Mr. Kahn:

This price structure is below what is being offered in the market place for General Aviation, I
can lower the differential but not go to the final price of \$2.25 you are referring to. Instead of the \$1.75, I can
offer a differential of \$1.289.

thank you for your =ttached pricing

after reviewing i was confused on your differential =igure of 1.75

can you please advise what makes up that figure =ther than transportation?

we were hoping to be in the 2.25 range =or total cost

please advise

thank you
