Hello,

Yes, the factory has begun manufaturin= your dispensers. They expect them to ship to us by the end of next week (w=ek end November 20, 2015). IF, we do get them by that Friday, November 20, 2015 then you can expect us to have them shipp=d at the beginning of the following week. That would be approximately Novem=er 23-24, 2015.

Again, I will inform you when we actual=y get them in our possession.

Hope this helps,</=>
