**Subject:** Hello from Vilnius!

After the sunrise this morning and the moon was still in the front of our lo=ely bedroom window i felt I want to write you! Once again i had a dream whe=e your appearance was the most bright and recongnizable for me. How are you=dear Jeffrey? How is your Autumn?

Now when i am expecting a baby, who is already started to move in me :) I be=aame much more concerned about our being- work, finances, successs ,future. I=need your word Jeffrey! And i am sorry to take your time with a little stor= i am going to write.

Life is full of challanges , we lost our main financial welfare when the gov=rmant decited to destroy Theater Arena which was leaded by my husband and t= build an apartments...at the moment we are trying to survive by the event=, concerts which Valdas organises. but the market is too busy in this villa=e which calls Lithuania. It's filled by misery, if you will excuse me for m= language ,commercial shit! Sad to say but this is a mentality of this coun=ry! Dark, sad and full of curruption. The good example is when [REDACTED] (my h=sband) brought Complexions Ballet from New York, ( which is A level artist)=and went through all Baltic countries on tour( Latvia,Estonia, Lithuania). b=t in the end it was just a moral satisfaction not financial...My long intro=uction comes into the simple , full of hope question for you . Why You, bec=use you are the most brilliant person I know, you have power , you have an a=azing experience, you know the world! And your advice can make a big differ=nces in people's life!

We would love to move away from Lithuania and start this business in Geneva,=Switzerland. To bring different kind of artist to perfome there ( classical= pop, ballet, drama theater ,dance show, musicals..ect.) we're already made=a deal for 2017 on April, we will bring Complexions Ballet to Theatre du L♦=A9man Geneva. But before we have to organise something else there. And the b=ggest challange for us now is how to get an artists and how to enter into t=is market of that country . Maybe you know an agency or agent from who we c=uld buy an artists? if there is some any suitable connection for that kind o= business you could share with us , we would be more then appreciate!!!

Thank you so much for your time reading it!  
Sending you huge hug and kisses!  
Lots of love
